CME

ON

“BEST PRACTICES IN PHARMACOVIGILANCE FOR HEALTHCARE PROFESSIONALS IN CONTEMPORARY INDIAN SCENARIO”

SUPPORTED BY
INDIAN PHARMACOPOEIA COMMISSION, GHAZIABAD

Date: 12th August, 2016 (Friday)

Timing: 09:30 am – 04:30 pm

Venue: NEW LECTURE HALL, COIMBATORE MEDICAL COLLEGE HOSPITAL,
COIMBATORE - 641018 (Contact No:9788628886)

Introduction: Early detection of medication-associated risks and use of the right drug for the right patient lie at the heart of Pharmacovigilance. This expertise rests with Healthcare Professionals and the experiences they encounter while treating patients who consume medications are invaluable in assessing the Benefit-Risk ratio of any drug. Hence, the active participation of Healthcare Professionals is vital for the proper functioning of a Pharmacovigilance system in any country. This seminar is our modest attempt to emphasize the significant role that is required to be played by Healthcare Professionals in India to aid in the advancement of Indian Pharmacovigilance.

Scope: Spreading awareness of Pharmacovigilance among Healthcare Professionals and stressing the importance of Pharmacovigilance in Patient Safety

TARGET AUDIENCE: CMC Hospital staff - Doctors, Pharmacologists, PG students, Pharmacy staff, Pharmacy students, Staff nurses, Clinical Research team members & ISCR Members
