

Indian Society for Clinical Research

Presents

1st Satellite Conference on Clinical Data Management, Biostatistics and Medical Writing

Date: November 26-28, 2015

Timing: 08:00 am – 05:30 pm

Venue: National Institute of Pharmaceutical Education and Research (NIPER), Chandigarh

Introduction: ISCR is organizing the 1st Satellite Conference in Clinical Data Management, Biostatistics and Medical Writing for Clinical Research professionals and students from life science, pharmacy and medical backgrounds. The conference will focus on providing an overview of these three pillars of Clinical Research. This conference is an initiative by ISCR to bring together experts from Academia and the Industry to share their expertise with budding professionals and young aspirants who want to make career in Clinical Research. Additionally, this conference will provide a platform to our young students and clinical research professionals to network with their potential employers. The conference will cover introductory as well as intermediate level topics in CDM, Biostatistics and Medical Writing.

Topics (includes mini workshops in CDM & Biostatistics):

- Introduction to Drug Discovery and Development; Preclinical Development of a New Chemical Entity
- Overview of Clinical Data Management; Project Management in Data Analysis and Reporting
- Emerging Technologies in Data Management; Workshop on Query Resolution and Management in CDM
- Overview of Biostatistics in Drug Development; Statistician's Role in Protocol Development
- Workshop on Sample Size Determination in Clinical Trials; Introduction to Adaptive Trials
- Introduction to C-DISC /SDTM Industry Standards
- Introduction to Medical Writing; Ethics, Guidelines and Templates in Medical Writing
- Overview of CSR, Protocol and Safety documents; Manuscript Development and Submission
- Career Options in Medical Writing
