

12th

Indian Society for Clinical Research ANNUAL CONFERENCE

“Clinical Research Advancing the Frontiers of Health”

Biostatistics and
Clinical Data Management
Track

Multiple Tracks

500 + participants

50 + speakers

35 + companies

14-16 Feb 2019

EROS Hotel, Nehru Place, New Delhi

Location: <https://goo.gl/maps/Aq8CvWeiNoC2>

Track III - Biostatistics & Clinical Data Management

Day 1: 15 February 2019, Friday | 9.00 am – 5.30 pm

Time	Session	Theme/Topics	Chairperson(s)
09.00-10.00	1	Welcome/Chief Guest Address (Combined with the Track I - Clinical Research Track)	
10.00-11.00	2	Keynote Oration (Combined with the Track I - Clinical Research Track)	
11.00-11.30		Tea & Networking Break	
11.30-13.00	3	Virtual Trials and its impact on Clinical Data Management 1. Introduction to Virtual Trials : Advantages and Challenges (Appalla Prabhakar, Novartis) 2. CDM in Virtual Trial World (Raghavendra Kalmadi, IQVIA)	Sachin Tonapi (Covance)
13.00-14.00		Lunch & Networking Break	
14.00-15.30	4	Artificial Intelligence and Machine Learning in Clinical Data Management 1. Introduction to AI and ML in CDM (Sri Vithala, Novartis) 2. Data Manager's Role in the Age of AI/ML (Sarvesh Singh, ICON) 3. AI/ML in Study Programming, Data Review and Reconciliation (TBC)	Sri Vithala (Novartis) Deven Babre (Cognizant)
15.30-16.00		Tea & Networking Break	
16.00-17.30	5	Evolution of Standards in Clinical Trial Data Submissions 1. Introduction to Evolution of Standards (Gaurab Chakraborty, Covance) 2. Current Issues and Trends (Shanmugavel Shanmugasundaram, Covance) 3. Future State of Standards (Tushar Sakpal, TCS)	Gaurab Chakraborty (Covance)
19.30-22.00		Gala Dinner	

Track III - Biostatistics & Clinical Data Management

Day 2: 16 February 2019, Saturday | 9.00 am – 5.00 pm

Time	Session	Theme/Topics	Chairperson(s)
09.00-10.30	6	Data Manager in the World of Big Data - From Data Managers to Data Scientists – How to Get Ready 1. Evolution of Data Manager's Role (Sebastian Varghese, PAREXEL) 2. How will Data Manager's Role Change in the Future? (Ritesh Tiwari, TCS)	Sebastian Varghese (PAREXEL)
10.30-11.00		Tea & Networking Break	
11.00-12.30	7	Risk Based Monitoring Approaches and their Impact on Clinical Data Management and Biostatistics 1. Introduction to RBM (Niraj Vyas, TCS) 2. RBM Impact on Execution in CDM and Biostatistics (Praveen Kumar, Covance) 3. Key to Successful RBM Study Execution (Venkatesh Krishnamurthy & Suresh Neelakantan, Covance)	Niraj Vyas (TCS)
12.30-13.30	8	Visualizations for Digital Analytics 1. Introduction to Visualizations in Biostatistics and Tools Used (Nimit Mohan & Swetha Medari, IQVIA) 2. Case Study on Visualizations (Vincy)	Vishnu Narayanan (Covance)
13.30-14.30		Lunch & Networking Break	
14.30-16.00	9	Panel Discussion on Future of Clinical Data Management Panelists - Suresh Sharma (TCS), Raghavendra, Sarvesh, Appalla, Deven & Sebastian	Sachin Tonapi (Covance)
16.00-17.00	10	Closing Ceremony — Combined with the Track I - Clinical Research Track
