

## ISCR CRC Certification Program 2019

Clinical Research is evolving in the country as well as across the globe. One of the key stakeholder to conduct quality clinical research is 'Clinical Research Coordinator (CRC)' and it is therefore essential to ensure that CRC is well-trained and able to assist the investigator for conduct of the relevant aspects of the trial.

### Certification Topics and Agenda

## ISCR CRC Certification Program 2019

ISCR is happy to announce the launch of an Industry designed Self-paced Training and Certification Course for Clinical Research Coordinators (CRC)

PROGRAM SUMMARY
