

Indian Society for Clinical Research

North Chapter Announces Webinar Series

“Collective energies – CRA & CRC”

9 -10th Jan 2021

INTRODUCTION: The webinar is designed for aspiring and new Clinical research professionals like (CRAs, Sr. CRAs, remote study monitor, study monitor, CRA line manager and other related operations staff) and clinical research coordinators (CRC, study coordinators, medical officers) to get a flavour of what it takes to be a good CR professional and interact and self-empower towards the evolving clinical research ecosystem in India. Topics discussed in this flyer will provide a brief overview on the facets of clinical research. The forum will act as an interface for meaningful discussions around the alignment and collaborations of the key stakeholders of this field aiming towards quality research in the country.

SCOPE: ISCR Members and fellow Clinical Research colleagues within the North Chapter

TARGET AUDIENCE: CRAs, Sr. CRAs, CRA line manager, CRC, study coordinator and other related staff, aspiring clinical research professionals.
