

ISCR WESTERN CHAPTER & TRAINING COUNCIL ANNOUNCES

VIRTUAL MID-YEAR CONFERENCE

TITLE

EFFECTIVE “PROJECT MANAGEMENT” – KEY TO SUCCESSFUL STUDY DELIVERY

CONFERENCE BRIEF

The current times have changed the way in which clinical studies are delivered and accelerated the implementation of technology and delivery innovations. This is an opportune time to refresh our understanding of clinical research project management. While the core principles remain unchanged, it has become prudent to learn and adopt changing ways of managing projects effectively.

This mid-year conference will be facilitated by clinical research professionals with a wealth of industry experience.

Through various panel discussions, presentations, and interactions, this conference will help to enhance the participants' understanding of effective project management, its framework, planning and accounting, their approach and attitude towards for achieving successful clinical trial deliverables.
